# MISSION

Giving Fore Living originated in 2013 when friends and family of Darin Wainscott came together to honor his undying spirit of giving, which extended beyond his life in the act of organ donation. Since then, our organization has grown to include and honor two additional heroes Kevin Jacobs and Kalee Chandler, as they also gave the ultimate gift of organ donation. These three individuals have saved over sixteen lives and improved countless others, with their gifts of organ and tissue donation. Giving Fore Living hosts several annual fundraising events to help grow and support our cause and to honor our heroes, Darin, Kalee, and Kevin. The money raised by our annual banquet, golf tournament, and other events is used to support and promote organ donation, support local charities, provide love offerings to those in need, and support the Darin Wainscott Memorial Scholarship.

# SCHOLARSHIP

The Darin Wainscott Memorial Scholarship was set up when Darin Wainscott passed away in 2013. It is a \$1,000, non-renewable scholarship to be awarded to a Butler High School Senior annually.

The recipients of this scholarship are to exemplify attributes of selflessness, good character, and strong work ethic. Darin was the type of person to always put others first. So, the writing prompt for an essay is to describe a situation in which you have placed someone else above yourself.
