MISSION

Giving Fore Living is an annual golf tournament, banquet and fundraising event celebrating the life of Darin Wainscott. In the coming together of friends and family of Darin, we celebrate his life, his values, and his commitment to family and community. In particular, we aspire to honor his undying spirit of giving, which extended beyond his life through organ donation. The money we raise supports and promotes organ donation, local charities reflecting Darin's values, and the Darin Wainscott Memorial Scholarship.

SCHOLARSHIP

The Darin Wainscott Memorial Scholarship was set up when Darin Wainscott passed away in 2013. It is a \$1,000, non-renewable scholarship to be awarded to a Butler High School Senior annually.

The recipients of this scholarship are to exemplify attributes of selflessness, good character, and strong work ethic. Darin was the type of person to always put others first. So, the writing prompt for an essay is to describe a situation in which you have placed someone else above yourself.
